City of Jacinto City Drainage Improvements CDBG-MIT PROJECT NO. 22-082-012-D212

Scope of Work: To conduct drainage improvements for several streets in Jacinto City, including removal of existing storm sewer and replacement with various sizes of upsized storm sewer which includes reinforced concrete boxes, reinforced concrete pipe, and reinforced concrete arch pipe. Various outfalls to a concrete lined Harris County Flood Control District channel will be installed which will require the removal and replacement of concrete lining. Installation of the storm sewer includes pavement replacement at intersections and driveways. The project includes the installation of various sizes and types of inlets and junction boxes. As part of the work, sanitary sewer and water line relocations are anticipated and are proposed to be done via open cut and trenchless methods.

The project to be constructed will be financed with assistance from the General Land Office (GLO) under the U.S. Department of Housing and Urban Development Community Development Block Grant - Mitigation (CDBG-MIT) program and is subject to all applicable Federal and State laws and regulations. Attention is called to the fact that not less than, the federally determined prevailing Davis-Bacon and Related Acts wage rate, as issued by the Department of Labor and contained in the contract documents, must be paid on this project. In addition, the successful bidder must ensure that employees and applicants for employment are not discriminated against because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Adherence to the City of Jacinto City Section 3 Policy is required for all contracts.

Accompany Bids with acceptable Cashier's or Certified Check in the amount of five percent (5%) of the total base bid amount bid, payable without recourse to the City, or a Bid Bond of like amount from an approved surety company, as a guarantee that bidder will enter into a contract.
